Swami Nikhilanand left behind his Western beliefs and chose to adopt Hinduism as a young man. He travelled to India and studied in the *ashrams* of Jagadguru Shree Kripaluji Maharaj, learning Hindi, Sanskrit, and the essence of the prime Bhartiya scriptures. When the time came, his Guruji gave him the order of *sanyas*. Since then, Swami Nikhilanand has lectured throughout the U.S., inspiring audiences with his clear and practical representation of our Hindu *dharm*.
